### FLAME RESTAURANT AT DISCOVERY PRIMEA

### OFFERS VERSATILE GROUP DINING EXPERIENCES

*Flame Restaurant at Discovery Primea is the ideal dining destination this season, as it continues to offer unique culinary experiences and innovative Asia cuisines to guests.*

October 18, 2018 – Located 16 stories high above Makati, Discovery Primea's Flame Restaurant offers guests a heightened sense of luxury dining. Diners' culinary journey starts as soon as they are greeted with a warm welcome and ushered into the spacious restaurant. Sleek and stylish interiors featuring a "living" chandelier and an expansive marble-top kitchen lend a touch of charm and elegance, while the floor-to-ceiling windows enhance the atmosphere with panoramic views of Metro Manila's skyline.

Flame caters to a variety of experiences such as relaxed solo dining and business lunches to special occasions including romantic dinners and celebrations for groups of varying sizes. The restaurant is home to two wings—the Ayala and Urdaneta sides, respectively, which may be reserved exclusively for private events. Whatever the occasion may be, Flame's versatility makes it the ideal venue for enjoyable get-togethers and events especially for the upcoming holidays.

Apart from its luxurious and well-appointed spaces, Flame has always been a stage for the hotel's chefs to innovate. Led by Discovery Primea's Executive Chef, Luis Chikiamco, Flame's latest exciting chapter sees the move from European cuisine to a more playful yet sophisticated modern Asian menu. Moving away from his French culinary pedigree, Chef Luis draws from his childhood memories and creature comforts to create flavors that evoke wonder or nostalgia, and sometimes, both.

Flame's new lunch and dinner menus feature the freshest ingredients translated into the most imaginative creations. For starters, the Tuna Yukhoe Tacos—Chef Luis' version of the Korean specialty with fresh chunks of tuna cured in gochugang and soy-honey vinaigrette stuffed in homemade taco shells and topped with Asian slaw, are a welcome treat. Or, diners may tuck into Jospet Grilled U.S. Chicken Wings with togarashi waffles, charred leeks, garlic chips, spring onions, and teriyaki sauce.
